Classroom news

HELP!!!! I need of a parent that would be interested in organizing and assembling our class basket for the PTO Carnival. Please let me know if you are interested in helping or if you like more information! Thank you!

March weather will warm up a little and the children go outside for recess every day. Snow clothes get very wet, especially the pants, gloves, and mittens. Please take your children's clothes out of their backpacks each night to dry so that they are ready to wear the next day. Thanks so much!

I will be sending home your children's report cards and assessment packets next week. When you are done reviewing them, please send them back to school as I use them again in May for their end of year assessment (Please don't allow children to write or draw in the packets at home). I will include a conference request form if you have any questions or concerns. I will be sending home conference request with the report cards if I need to meet with you but I will also include a form if you would like to request a conference for questions or concerns.

March events

Each year classroom family's pitch together to create class baskets that will be sold via online auction. Our class will be doing a "Family Cooking" basket and I need your help. I'm asking each family to please send just $6 (to go towards the purchase of the basket supplies) and your favorite family recipe. It could be anything….something sweet, a delicious meal, or even a favorite way to prepare a veggie or fruit….Anything that your family enjoys could be something that another family might also enjoy! If you have any questions, please let me know.

Our class basket needs to be ready as soon as we return from spring break so I will need the contributions sent to school before we leave for break on March 24th.

Our March book order will be due by Friday 3/10. This will be the last order that we do before Easter and books make a GREAT basket stuffers from the Easter Bunny!

HAPPY UN- BIRTHDAY!
