

Week of April 10th- 14th

Things that Grow

Letter: Zz Number: 15

Color: pink Shape: heart

This week's reminders and announcements:

*As part of this unit we will talk about how people have grown and learn new things. Something that I have done each year, and the children really enjoy doing, is to have the **children bring one picture of themselves as an infant and 3-4 pictures of themselves at different toddler ages**. We will look at them during class to see how they have all grown and changed (**pics due by Tues 4/11**)

***April Bag Buddy Update:** Each child will pick any book of their choice (from home) to read to you and fill out a worksheet about their book. When it is your child's turn, their folder will be sent home with the activity. Please bring it back the next day 😊
